SOFT SKILLS

- Teamwork
- Time Management
- Leadership
- Effective Communication
- Critical Thinking

TECH SKILLS

- Python
- Java
- JavaScript
- MongoDB
- Web Development
- Backend Development

CERTIFICATIONS

- Partner: PCAP - Programming Essentials in Python
- IT Essentials: PC Hardware and Software

CERTIFICATIONS

Evangeline Pamintuan

Contact: 09224203444

PROFILE

Highly motivated IT student specializing in Backend Development. I am a collaborative and reliable team player with a positive attitude, always eager to learn new technologies and improve my skills. Dedicated to contributing effectively to the team while gaining real-world industry experience

EDUCATION

Bachelor of Science in Information Technology 2022-Present
De La Salle University - Dasmariñas
GPA: 3.63

Senior High School - ICT Strand 2020-2022
University of Perpetual Help System Dalta - Molino Campus
GWA: 92.1%

PROJECTS

E-commerce Platform Development JAN 2025 - DEC 2025

Developed a full-stack e-commerce platform for a retail apparel company featuring product catalog management, custom jersey ordering, shopping cart functionality, secure payment processing with PayMongo, user authentication (including OAuth with Google/Facebook), order tracking, inventory management, and an admin dashboard for business operations.

Technologies Used: Node.js, Express.js, MongoDB, JavaScript, PayMongo API, Cloudinary

Employee Attendance Tracking System DEC 2024 - DEC 2025

Designed and developed a full-stack attendance management system featuring secure authentication, role-based access (Admin/Employee), and real-time attendance tracking. Implemented features including leave management, overtime requests, shift scheduling, holiday management, and comprehensive reporting with data visualization.

Technologies Used: React.js, Node.js, Express.js, MongoDB, Tailwind CSS, JWT Authentication

EXPERIENCE

Performed data encoding tasks by transferring information from messaging platforms into organized Excel spreadsheets

Ensured accuracy, consistency, and proper formatting of encoded data

Assisted in basic data validation and organization to support business operations
